Criminological Research on Taiwan

Collections of English-language References Relevant to the Greater China Criminology Research: 2009 Series

Edited by Bill Hebenton
Professor, School of Law, University of Manchester, UK.

1 This section is a compilation of English-language publications broadly of interest to the criminological community. Where possible, an abstract in addition to reference details are provided.

2 We hope to be as comprehensive as possible – so if you are aware of a publication which is not included here within the given time period, then please e-mail the details to the compiler – Bill.Hebenton@manchester.ac.uk.
